California Community Colleges Online Education Landscape Report (January 2019), RP Group

System-wide Online Equity Strategies

Increase student access to technology and reduce costs

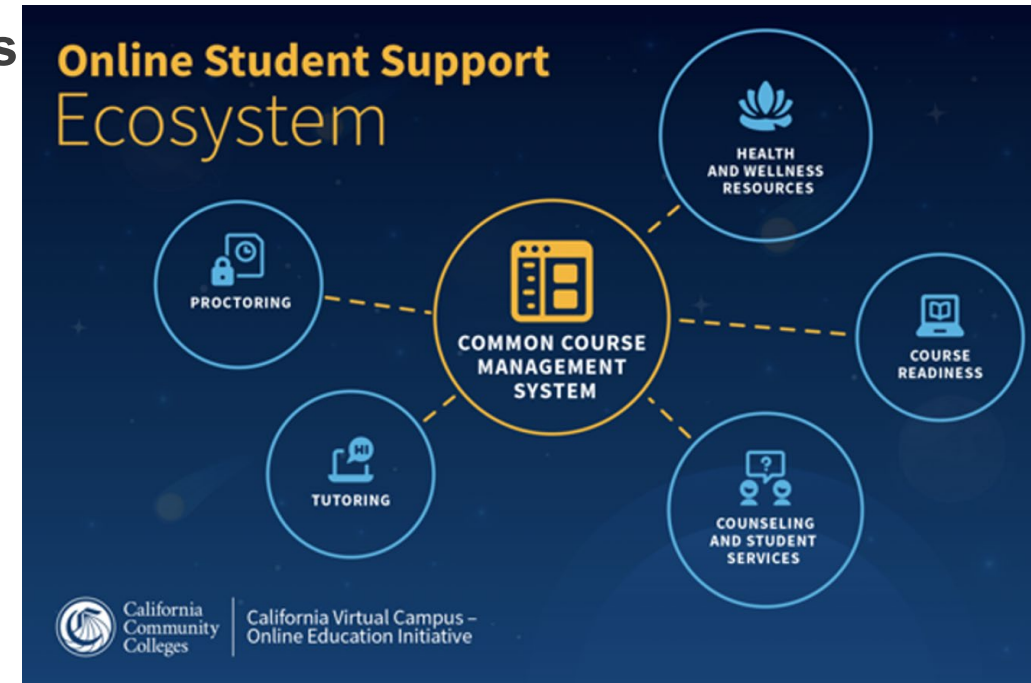

- Partner with providers for reduced cost or free Internet
- Device access (e.g., hotspots, laptops, Chromebooks)
- Design courses for use on mobile devices
- Open Educational Resources to reduce textbook costs

Invest in embedded support tools

- Readiness tutorials for new online learners
- Online tutoring available 24/7, multiple languages
- Online academic and mental health counseling platforms

Improve course quality and streamline services

- Training for faculty and staff in culturally responsive instruction and course design
- Collaboration between institutions for services/courses (e.g. CVC Exchange)
- Examine and eliminate process barriers that disproportionately impact at-risk populations.
